Introduction

This document constitutes the official General Audit Information record for Audit ID: 0001, scheduled to begin on July 4, 2026. This audit will be conducted by auditor Hiram Gabriel Alonso Marquez under the responsibility of the Program Office/Region designated as a Private Company.

The purpose of this document is to establish the scope and evaluation criteria for verifying compliance with Configuration Management (CM) processes within the audited project or entity. Since no prior corrective actions are currently recorded, this record serves as the initial baseline for the corresponding audit cycle.

Objectives

The primary objective of Audit ID: 0001 is to provide an independent and objective assessment of the status of configuration controls.

- Verify Controlled Documentation
- Validate Baseline Integrity
- Determine Closure and Follow-up Status
